Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Friday 09 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny start, showers later.

Today:
A sunny start with showers quickly developing across the region from late morning. Showers will ease early afternoon in the west, but further east they will continue throughout the afternoon, heavy at times. Maximum temperature 24 deg C (75 deg F).

Tonight:
Any remaining showers will fade away early this evening leaving a mainly dry night with intermittent cloud. Becoming cloudier towards dawn as rain approaches from the south-west. Minimum temperature 12 deg C (54 deg F).

Saturday:
Rain continuing across the region this morning, before slowly moving east and fading away. Isolated showers during the afternoon before dissipating away as the cloud breaks up into the evening. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
An unsettled outlook with heavy showers developing each day. Heavy at times with a risk of thunder, particularly on Monday and Tuesday.
